EXPERIENCE

SANYA Store, UK — *Shopify Store Manager*

NOV 2023 - JAN 2025

Managed and optimized my client Shopify store by overseeing product listings, marketing campaigns, SEO, inventory, customer service, and sales performance to enhance user experience and drive revenue growth.

SOFTSOP, USA — *Project Manager and Website Developer*

AUG 2023 - FEB 2025

Developed client's website, led and managed projects from initiation to completion, overseeing timelines, budgets, and stakeholder communication to ensure successful delivery, while also handling website management.

All Things Hair Salon, USA — *Virtual Assistant*

JAN 2021 - JAN 2023

Provided administrative and technical support to my client by managing emails, scheduling appointments, handling customer inquiries, conducting research, organizing documents, and overseeing social media and website updates, ensuring efficiency and productivity in daily operations.

EDUCATION

LAUTECH, Nigeria — *BNSc*

SEP 2018 - FEB 2024

I am a Registered Nurse (RN), a Registered Public Health Nurse (RPHN), and a Nursing graduate.

Frontend Development – Self–Taught

Dec 2022 - present

I learned web development through platforms like **YouTube**, **W3Schools**, and hands–on practice. I built multiple projects using **HTML**, **CSS**, **JavaScript**, and **React.** I practiced by cloning real–world landing pages.
